Easy Tweeze Hair Remover

It's as easy as 1-2-3!

Step 1

Use a hot towel to open the pores and soften the skin.

Step 2

Bend the Easy Tweeze and place the spring against the skin.

Step 3

Turn the handles to roll the spring upwards, facial hair will be removed instantly.

Tips

- **Press** the spring against the skin
- Roll the handles **slowly** upwards
- **Always** keep the **∩** shape while twisting the handles
- Apply moisturizer containing Aloe Vera to **soothe** the skin
