## 11 LED Mini Lantern Features

Powerful lightweight illumination when you need it the most. These compact lanterns are ideal for your home or the outdoors. Take them on camping and fishing trips, use them in the garage while fixing the car or shed some much needed light during power outages. They even have built-in handles for easy carrying or hang them up when you need your hands free to work.

- Powerful LEDs give you brilliant illumination with the click of a button
- Keep one in the car, the garage or any room in which you might need them
- Small and portable
- Rugged design suitable for outdoor use
- Makes a great gift

### Easy to Use **ON/OFF** Power Button Switch
