### Tempered Glass Smart Monitor Stand

### User Guide

Thank you for purchasing the  
Tempered Glass Smart Monitor Stand.

Please read all instructions carefully and retain for future use.

#### Package Contents:

#### Setting up the Monitor Stand:

- 1) Remove the Glass Platform with two Bases and the Power Adapter Cable from the packaging.
- 2) Insert the Power Adapter Cable into the POWER port on the back of the Right Base and safely plug the other end of the cable into any standard AC outlet.
- 3) Connect the two Bases together for stereo sound by plugging the Green Audio Cable from the Left Base into the green OUT port on the rear of the Right Base.
- 4) To power the Monitor Stand on and listen to audio, play audio on the computer and turn the Volume dial clockwise to the desired listening level.

#### Functions:

##### Audio

###### Method A:

- 1) Use the included AUX Cable and plug one end into the AUX jack in your computer and the other end into the port labeled  (AUX) on the Right Base.
- 2) Play audio on the computer and turn the Volume dial clockwise to the desired listening level. To listen with headphones (not included), plug the headphones into the green Headphone Jack and adjust the volume dial accordingly. You can further tune the volume level by changing the volume on the computer connected to the Monitor Stand.

###### Method B:

- 1) Connect the Black AUX plug of the included AUX to Headphone/Microphone Splitter Cable into the AUX-In at the rear of the Right Base. Then plug the Green End of the Cable into the AUX Port of the computer and the Pink End into the Mic In of the computer (if applicable).
- 2) Play audio on the computer and turn the Volume dial clockwise to the desired listening level.
- 3) To listen with headphones (not included), plug the headphones into the Green Headphone Jack and adjust the Volume dial accordingly. You can further tune the volume level by changing the volume on the computer connected to the Monitor Stand.
- 4) To use a microphone (not included), connect it into the Pink Mic-In on the Right Base.

#### **Data Transfer and USB Extension**

Turn one USB Port on your computer into two by plugging one end of the included USB cable into your computer and the other end of the cable into the USB Port on the back of the Right Base. Now you can use the two USB Ports on the side to attach various USB accessories such as external memory and wireless mice.

#### **Charging Devices**

The 2A $\angle$  USB Port can only be used to charge USB devices. Use this port to conveniently rapid-charge your devices including mobile phones, digital cameras, and tablets.

#### **Cleaning and Maintenance:**

**DO NOT** use chemical based cleaning agents.  
Use a soft, dry cloth to clean ONLY.

#### **90 Day Limited Warranty:**

This warranty applies to products purchased and used in the U.S. and Canada. This is the only express warranty for this product and is in lieu of any other warranty or condition. This product is warranted to be free from defects in material and workmanship for a period of ninety (90) days from the date of original purchase. During this period, your exclusive remedy is repair or replacement of this product or any component found to be defective, at our option; however, you are responsible for all costs associated with returning the product to us and our returning a product or component under this warranty to you. If the product or component is no longer available, we will replace with a similar one of equal or greater value.

This warranty does not cover glass, filters, wear from normal use, use not in conformity with the printed directions, or damage to the product resulting from accident, alteration, abuse, or misuse. This warranty extends only to the original consumer purchaser or gift recipient. Keep the original sales receipt, as proof of purchase is required to make a warranty claim.

This warranty is void if the product is used for other than single family household use. We exclude all claims for special, incidental, and consequential damages caused by breach of express or implied warranty. All liability is limited to the amount of the purchase price. Every implied warranty, including any statutory warranty or condition of merchantability or fitness for a particular purpose, is disclaimed except to the extent prohibited by law, in which case such warranty or condition is limited to the duration of this written warranty.

This warranty gives you specific legal rights. You may have other legal rights that vary depending on where you live. Some states or provinces do not allow limitations on implied warranties or special, incidental, or consequential damages, so the foregoing limitations may not apply to you.
