

# 2 IN 1 FRONT SEAT COVER AND BOOSTER SEAT

## Instruction Manual

1. Put the pet seat cover on the car front seat
2. Hang the band over the back headrests and lock. The band is adjustable to fit your vehicle's headrest.

3. Lock the lower band under the seat
4. Just flip up the flips and zipper up as a booster.

### Clean and Care Instruction:

Clean the seat cover by wiping away dirt with a damp sponge or cloth. For bigger messes, hand wash in cold water with a mild detergent. Line dry. Do not place in dryer. Caution: do not fold the foam inside the cover. The foam should always be flat.
